

# COUNTDOWN TO KICKOFF (6 DAYS)

## BACK TO FOOTBALL

### DIVISION TITLES? UP FOR GRABS!

Unpredictable NFL? It sure seems that way!

In the 11 seasons since realignment in 2002, 28 different teams have won division titles.

“This league is so crazy, and that’s the beauty of it,” says Baltimore Ravens running back **RAY RICE**. “You never know what’s going to happen.”

Last season, the Washington Redskins won their first division title since 1999, rebounding from a last place finish in 2011.

“I’m really proud of this football team,” said Redskins head coach **MIKE SHANAHAN** after his team won its final seven games to win the division. “For them to fight for seven weeks to put themselves in this position, it just says a lot about who they are and what level they played at.”

The teams that have won their divisions in the 11 seasons since realignment in 2002:
