SIXTY-SIX 2014 NFL REGIONAL/SUPER REGIONAL COMBINE PARTICIPANTS ON NFL TRAINING CAMP ROSTERS

With all 32 NFL teams in training camp, 66 players who attended an NFL Regional Combine and/or the NFL Super Regional Combine in 2014 currently hold roster positions. NFL clubs signed players from all 14 positional 2014 Regional Combines hosted from February through March, including 30 players who were invited to the Super Regional Combine at Ford Field in Detroit from April 12-13.

Twenty nine of the league's 32 teams (91 percent) have at least one 2014 Regional Combine and/or Super Regional Combine participant on its roster. Eleven of those teams – **BUFFALO** (four), **CAROLINA** (three), **CLEVELAND** (three) **DALLAS** (six), **DETROIT** (three), **GREEN BAY** (three), **INDIANAPOLIS** (five), **MINNESOTA** (three), **NEW ORLEANS** (three), **ST. LOUIS** (three), and **SEATTLE** (three) – retain at least three 2014 Regional/Super Regional Combine alums.

There are currently 130 players on NFL rosters with NFL Regional/Super Regional Combine experience – 66 from 2014, 38 from 2013 and 26 from 2012.

Two Regional/Super Regional participants were selected in the 2014 NFL Draft:

PLAYER	TEAM	COLLEGE	ROUND (OVERALL)	COMBINE(S) ATTENDED
T Ulrick John	Indianapolis	Georgia State	7th (No. 232)	Tampa Bay (March 1); Super Regional
C Demetrius Rhaney	St. Louis	Tennessee State	7th (No. 250)	Miami (March 22); Super Regional

NFL Regional Combines and the NFL Super Regional Combine serve as supplements to the NFL's National Scouting Combine and provide players an opportunity to be tested and evaluated by experienced scouting personnel in the league. Measurements and test results are entered into a database available to all 32 teams, while participants also have the ability to distribute the data collected.
